

Chem 1A F23

What was your favorite part of Chem. 1A?

---

What did you like about my teaching style?

---

How do you think that I could improve this class?

---

Did you like the solubility song extra credit?

---

Yes

No

Indifferent

Why or why not? Can you think of another extra credit assignment that you would have preferred?

---

What advice would you give a student taking this class?

---

Did you take the chemistry placement exam for CHEM 1A vs. CHEM 25 before enrolling in this class? If you did, was it helpful for you in deciding what class to take? Why or Why not?
