

Chem 1C S24

What was your favorite part of Chem. 1C?

---

What did you like about my teaching style?

---

How do you think that I could improve this class?

---

If you came to office hours, did they help you why or why not?

If you did not come to office hours, what could I do to encourage students to come to office hours?

---

Did you like the iclicker questions during class?

---
